Dear Mr. Rampone:

This is to acknowledge receipt of your letter of 26 September 1997.

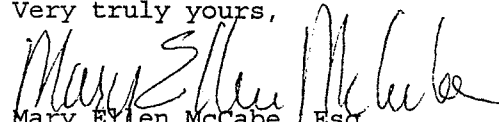

The Department accepts the voluntary surrender of the Emergency Medical Technician license issued to Michael P. Farrell upon the following terms and conditions:

- (1) That the Administrative Hearing Notice dated 3 March 1997, issued to Michael P. Farrell, will be dismissed without prejudice.
- (2) That should Michael P. Farrell apply for reinstatement and/or a new license as an Emergency Medical Technician, the Department will reopen the matters which formed the basis for the issuance of the Administrative Hearing Notice dated 3 March 1997 and will utilize same in determining Mr. Farrell's eligibility for licensure. It is also understood that in order to obtain licensure in the future, Michael P. Farrell must meet the licensure requirements in effect at the time he files an application.

Subject to the foregoing conditions the Department, this date, accepts the voluntary surrender of Michael P. Farrell's license as an Emergency Medical Technician.

Should you have any further questions, do not hesitate to call me.

Very truly yours,
